29<sup>th</sup> September 2020

Parent/Carer,

We are pleased to inform you that as from today, you will have the option of ordering your child's meal online.

The menu and a guide of how to order can be found on our school website, under parents / useful information or by using the following link:

<https://www.newmiltonjuniorschool.co.uk/useful-information/>

We would ask that any outstanding balances are cleared as soon as possible. This is because in the near future, there will need to be a credit balance of at least £2.50 in your account for a meal to be ordered.

If you have any questions regarding this option, please contact the office.

Yours sincerely

A handwritten signature in black ink, appearing to read 'K. Geary'.

Mr K Geary
