Dear Parent/Carer,

As part of our design and technology project this term, Year 3 children will be making their own biscuits. As part of this project, we are planning for children to take part in some market research, which will include tasting biscuits currently available in shops.

Being a nut free school, we will be providing biscuits without nuts and will try to ensure there is a variety for everyone, taking into account any allergies children may have. We will ensure that hygiene levels are high and that children will only have food that has not been touched by any other individuals.

If you have any questions or concerns, please let us know on the slip below and add if your child has any food allergies or intolerances.

Thank you for your continued support.

Yours sincerely,

Year 3 Team
