Starting school is an exciting time with lots of new things to think about! Tick one thing off your list with the help of this booklet and plan your child's journey to school.

Why choose active?

Walking, wheeling, scooting and cycling are active ways to travel to school. Whether it is for the whole or part of the journey, choosing active travel has lots of benefits!

Reduces congestion	Safer journey with fewer cars	Saves money	Reduces air pollution
Healthy for body and mind	Quality time with family and friends	Improves concentration	Become more street savvy

Need to drive?

If you have no choice but to drive, we ask that you do so in a safe and considerate way that protects our local community and is respectful to neighbouring residents.

Park and Stride, driving for part of your journey, parking away from school and actively travelling the remaining 5-10 minutes, is a great option if you need to use the car. You get to enjoy the benefits of active travel within your busy schedule!

Think zigzags

Unlike adults, children cannot see over parked cars. Likewise, drivers may not be able to see children trying to cross the road. The yellow zigzags help to keep the road clear creating a safer area for children to cross. It is important not to park or wait on the yellow zigzags at any time.

Essential journey information

School gate(s) opening times

The school gates open at 08:30am
The classroom doors open at 08:40am to 08:50am

Location of entrances

The main entrance is located on Old Milton Road, BH25 6DS

Cycle/scooter storage

Bicycles and scooters can be stored under a shelter, down the left-hand side of the school

If you need to drive to school...

We offer a 'Park & Stride' permit to all parents for use in the Crossmead Avenue Car Park. Please ask the office for a permit.
There are limited parking spaces outside of the school. We ask all parents to please be respectful of our neighbours when parking.

The rules: entering staff/ onsite car parks

The use of the carpark is for staff and authorised persons only

Scooter/cycle/ pedestrian training

Year 5 take part in a four day bike-ability program in school run by Hampshire County Council
