9th June 2026

Year 6 Junior Apprentice

Dear Parents/Carers,

This week, Year 6 will began their 'Junior Apprentice' project, which forms part of our enterprise and CPHSE curriculum. They have set up their own businesses and, with the aid of a £5 loan, have ordered materials with which to make unique products to sell.

Children from the lower year groups will visit the Year 6 children's stalls during the afternoon of **Friday 19th June**. Year 6 parents are invited to visit from **3.00 - 3.15 pm**, although we can't guarantee how much stock will be left for you to buy!

The children should not spend any money at home, but they have been encouraged to use their initiative to recycle and upcycle where possible. They may also choose to bring in items such as table cloths, baskets, flowers, bunting or flags to create an eye-catching stall. Any support you can offer with regards to this would be greatly appreciated.

We look forward to celebrating the children's entrepreneurial skills with you next week!

Kind regards,
The Year 6 Team
