YEAR 6 ACTIVITY WEEK 2027

'Ready for Anything!'

Dear parents/carers,

We are in the process of organising a really exciting summer activity week for our Year 6 children – 'Ready for Anything'. This will take place between Monday 21st June – Friday 25th June 2027.

Our 'Ready for Anything' themed week will form a big part of our Year 6 Transition Project, where we will be preparing the children for secondary school. The week will provide them with a range of fun and rewarding experiences as well as helping them to face challenges, develop skills and recognise their strengths as they move forward to the next stage in their lives.

We plan to include the following activities:

- **London**: a fun-packed day out where we will experience the contrast of life in the capital, explore museums and visit key landmarks that link to our history topic;
- **Moors Valley**: a range of exciting outdoor challenges that will include working as a team, high ropes and map reading;
- **Paultons Park**: just plain old-fashioned fun with friends;
- **Poole Park Activity Centre**: activities including raft building, paddle boarding, kayaking and mega-sup
- **Discovery Day:** STEM and design challenges, team work and lots of fun.

All transport and activities will be included in the cost which will not exceed £150 per pupil.

As you can see, this will be an extremely full week where there will be something for everyone to learn and enjoy. If you are concerned about the cost of the trip, please make an appointment, via the school office, to meet with Mr Geary to discuss ways in which the school can provide support.

We will let you know as soon as the trip goes live on ScoPay, alongside a payment plan. If you have any questions or queries, please feel free to speak to the Year 6 team or myself.

Yours sincerely,

Mrs S Westwood
Year 6 Lead
