Headteacher: Mrs Amy Wake

July 2025

Dear Parents/Carers,

We are pleased to advise you that we will continue to offer our popular Twilight After School Club for the next academic year.

This school-led club offers childcare until 6pm for children attending both New Milton Infant School and New Milton Junior School. The session prices currently remain at £10 until 5pm, and £13 until 6pm which includes a snack.

Many working parents are able to claim funds towards the cost of these sessions through government schemes such as "Tax Free Childcare". Please see <https://www.childcarechoices.gov.uk/> to check your eligibility. If you are eligible for this funding, or if you are able to claim childcare vouchers through your employer, please contact the school office so we can set the facility up to enable you to pay for your club sessions this way.

Bookings for Twilight Club sessions for September onwards are now open. Bookings are made using the Infant School Arbor Portal <https://new-milton-infant-school.uk.arbor.sc/> under "Clubs."

Please remember that you will need sufficient funds in your Arbor Wraparound Childcare Account before booking a session unless you are eligible for Tax-Free Childcare payments. If your child had a credit balance in their Arbor Wraparound Childcare Account at the end of this academic year, this will remain on your account for the new academic year.

Any 25/26 New Milton Junior School pupils will need to register with us before club bookings can be made. If this applies to you and you have not done so already, please complete our Junior School Twilight Club Registration form <https://forms.office.com/e/fvB8Vi00Bm> so that we can set your Junior school child up as a Twilight Club member.

**From September the Twilight club will be relocating to the hut directly opposite the Junior School (until recently our Otters Classroom). We will continue to offer the same facilities and activities as last year with the same club staff. Parents will be able to collect their children from outside the club external door at the end of club sessions.**

Please see our Wraparound Childcare page on our website for further information and guidance <https://www.nmis.hants.sch.uk/wrap-around-childcare/>

Yours sincerely

*A Wake*
