Dear Parent/Carer,

LEARNING TO PLAY A MUSICAL INSTRUMENT

We are pleased to be able to offer your child the opportunity to learn to play a musical instrument in school. The school supports the children's music lessons by offering the children opportunities to play together or during assemblies. Tuition will take place at lunchtime, during the afternoon, or after school.

In order to be considered for tuition, your child must have their own instrument or access to the relevant instrument at home. As a parent, you are entitled to purchase an instrument without paying VAT. However, this is only applicable to instruments that can be brought into school e.g., violin, guitar, etc. Please enquire at the school office for further details.

We offer tuition in:

- Piano
- Drums
- Violin / Viola
- Guitar

The school asks for the following commitment from you as parents/carers:

- To pay the price of the lessons when billed by the teacher or school.
- To support the regular daily practice which your child will need to promise to do.

Piano – Individual tuition – £20.75 per half hour.

In order to receive piano tuition your child will need access to a piano or piano-size keyboard for practice.

Kamya Brake has been teaching here since November 2008 and brings with her many years of teaching experience in both Piano and Music Theory. As well as teaching in school on Monday afternoons and after school, Kamya also runs her own private teaching practice.

Drums – Individual tuition – £20.50 per half hour.

Rowan Endacott is an experienced teacher and provides one-to-one lessons tailored to each individual based on fun and fast learning. He shows his pupils methods of practicing at home without the need for equipment. He now offers an online upgrade to his lessons at an additional charge. Should you like to find out more information regarding the add-on, please complete the slip and we will ask him to contact you.

Rowan's drum lessons take place on Fridays in the afternoon and after school.

Strings – Violin / Viola Individual tuition – £12.00 per 20 minutes.

Mrs. Penny Malcolm is our strings teacher and she offers one-to-one lessons based on each child's needs. As well as teaching in school on Thursday afternoons, Penny also teaches in many other local schools.

Guitar group lessons – £8 per 20 minutes shared

Hampshire Music Service provides us with our guitar teacher, Mrs. Emily Thomas. Lessons take place on a Wednesday afternoon between 12:30 pm – 2:30 pm. There are a limited number of spaces available for this term as we have pupils continuing from last year. However, if your son or daughter would like to learn the guitar, please indicate on the slip below.

If you would like any further information regarding music lessons, please contact the school office.

Yours sincerely,

Headteacher
