Assessment: The ASA qualified coaches and teachers will be using assessment criteria to determine your child's swimming ability. We will take the first session to establish which group they are best suited to be in and progress through the 12 sessions improving swimming skills, strokes and water safety. To help with their assessment, please complete the attached slip indicating your child's ability. Thank you.

If for any reason the swimming session is cancelled due to unforeseen events, we will endeavour to contact the parents who are helping as soon as possible. Please return the below slip by Friday 15th May.

Thank you for your continued support.
